9. Write a précis of the following passage and give a suitable title to it : 2+6=8

Empathy is the ability to understand and share the feelings of others. It allows individuals to connect on a deeper level, fostering compassion and kindness. By putting oneself in another's position, people can respond with sensitivity and support. Empathy is essential in personal relationships, workplaces, and communities, as it promotes cooperation and reduces conflicts. It also encourages active listening, helping individuals feel heard and valued. Developing empathy requires self-awareness, patience, and an open-mind. In a diverse society, practising empathy strengthens social bonds and creates a more inclusive environment, where everyone feels respected and understood.
