It is the best college in our locality .

Nothing

Best education

To make improve himself good

Yes

Nil

Yes , Because I want to get more knowledge and the best ideas in my future and also especially in this institution

Yes, because it is a private college so I need to get more educated and knowledge for my future in this institution

To Show that our responsible, logical and committed to our goals

Because i find that the institution is good at desinline

Because I find that the institution is good at discipline

It's the best in the community

To gain Knowledge

Becoz in my opinion in this institution I found that it is good for our studies.

One of the best college in town

In my opinion It's good for educations

Excellent

For better future

Behaviour,safety,knowledge,arts,etc

Because Thomas Jones synod college jowai is the best for her future studies

In his response

Because in Jowai have only two institutions and also he want to join NCC in Thomas Jones Synod College Jowai

They maintain discipline

Because we learn from the past pupil that the institution provide the best knowledge to the students.

I choose these Institutions(Thomas Jones SYNOD COLLEGE JOWAI) because I have always been very passionate about my learning. I'm excited to gain the knowledge and experience from highly specialized teachers and professionals. Along with the highly focused training, these Institutions provides a wide range of educational and learning opportunities that will set me up for success in this field.

It is one of the best institution.

Good Institution

The location of the institutions is nearby.

First of all it is a Christian College and everything they had provided to our ward is Satisfactory

Because the teachers are brilliant, the environment of the college also good.

It's provide good knowledge to the learner

Because its good

For helpfulness

good college

Easy transportation

Glad that the institution is in our own city/town.

Since TJSC is my nearest institution.

I send my daughter in this institution as i find this college is excellent,be it the environment of the college and the teaching .

it's the nearest to our locality

Because it provided good knowledge for students

To improve the study and the character of my daughter

Because it's provide good education and knowledge

We choose this institution because it's a private institution they are mostly different from other,so we put our children in this college they will get to learn a better educated..

I see's that they take a proper education

Because it is a good college

Gain knowledge

I found it best for my daughter

We choose that institution because it was good and nice college and also it was a safety college .An the teacher are good in teaching.

It is one of the best college

There are good teacher

The institution is good

Good quality of education

It is because so far I as a parent see that in the place we stay because as we've only two college so I as the parent choose this because I see that it is more better than the other

No specific reason.

If we chose the other expensive colleges like St Edmund's, St Anthony's the teachers would think that all the students were of the same level and they would not think that other weak students also there. Instead we chose Thomas Jones as it is closer to our village and little less expensive. At the same time the students were treated at the level of their understanding and also concentrate on the weak students as there is also a mentorship programme.

Because Thomas Jones Synod College Jowai is the best for her future studies

Because the environment is good

We choose this institution because we found that it was a good college in our district

The college is morally based and academically appropriate.

The field she choose are at the institute
Because it was not far from home and locate in the same town.

Because the teachers provides the good quality of education

To get knowledge

Because it is a reputed college which provides good education.

Because i feel it is a good institution

One of the best institution in town

Moral and Spiritual Values

Because I saw her going to colleges everyday n I saw that she was very pautuality to go to college in any kind of week.

Familiar with the surrounding environment

Because it has good platform for our students to study n improve their knowledge.

Overall it's good

Satisfactory

Yes because it's a good college

Located near to our house.

Because it's known that it's a good institution that provides knowledge and education

Because it is a good institution.

For education

There's no specific reason

Academically stable

Because it was a first come first serve college and we have a higher chance and possibility on getting admitted.

Yes, because I think it's one of the best institution in jowai

Yes, because i think it is one of the best institution in jowai

The institution cater to the need of the student by being present closer to home. Making it affordable and convenient. Also the institution reputation is as good as any institution the the state.

I like this college and i want to get best knowledge

No reason

Yes,

It looks good

As it gives good lecture and provide everything as what my child needs in studies

It is the best institute in town..

To be a teacher

Because I have interest in this institution

Yes because I'm grateful to learn here.

Teamwork of the lecturer to provide a best knowledge

No, it's her own choice

Because it's in a hot spot area where transport is available and the equipment for studies is available easily overall the college is our very own synod college.

Because the environment is good and the teaching of teachers also

I found better improvements here if the students come regularly to the class.

Sports,

Thomas Jones is the best knowledge .

No .suggestions

No suggestions

Must have skills teacher,management,etc

Discipline

I do not have any suggestions

Not required

All good.

Everything its good ,

No suggestion

Test regularly

Everything is perfect

Teaching learning environment need to improve

Keep up the good nature of the institution

I have no word to say

they should add school uniform to ba and bsc students too

No suggestions for now

Not at all.

If it's possible, the admission fee should be a bit lower

No. Thank you

They should set out more university around here .

No, Thanks

Through work hard and discipline

Yes. Frequent assignment, students group discussion once or twice a week will will makes students learn new ideas....

Need to be a little more organised

More books at the library...

No thank

Parking

To give test to the students regularly in order to make them study and help them improve their performance.

As of now everything is going on well

Discipline

To upgrade the college into post graduate

Addition of classes (periods)

Health department incase the study injures or collapse,
counselling
Facilities required for cleanliness, drinking water

No ideas

Can do better

So far everything is good.

The improvement in my daughters since she join the colleges I saw that she improve a lot.

.....

Keep intouch with students

Keep in touch with students...

Co operation

No... because it's already good I don't have any words to say

Students-Teachers relationship: Sometimes students do have problems apart of their books and academics and most of the times students they didn't share to their parents. So if teachers are their second parents and they have good relationships with each other so they can share it with them so students get counselling and they know how to come out of the problems they have.

Any things that's being taken or will be taken for the betterment of the students and providing them with the best education is good and hoping that the students will do best they could with your help and education so they can achieve and get excellency in their studies

It is a good improvement .

Take care of the students as your own children

They didn't send information on time

No

Library of the college need to be upgraded. More books and archives should be included.

English Speaking

Excellent

Communication

No...

Better explanation

Football field

Maybe assign the students in group work to enhance their cooperation and communication skills.

The teachers must be well trained. Training for teachers should be there frequently and also inspection should often visit the college in order to analysis the process of teaching by the teachers in the classroom.

If it is possible to provide a College bus for students.

College timing is inconvenient

NO

I'm satisfied!

No,i dont have any issue with your service.

Yes.

College must improve some facility for the student

More subjects need to be added to the curriculum inorder to meet the educational needs of students

Please take care of our students when you found him or her weak in subject or weak in self performance or behaviour in the college.

Need more improvement in the institution

No.

Maybe

More continuous assessment of students

...

As parents, we request you to keep guiding our children for a better education and future.

Good

A hall should be on the ground floor

No words to say

It's need improvement and progressing more from time to time for the betterment of the society as a whole
